

Our Days in 2A

October 22nd, 2020

There are so many great things happening in the 2A classroom!! The children are working together, trying to cooperate, share and take turns. For the most part, we have settled into our expected daily routines too.

As we continue to focus on the blessings that our "Friends" are to us, we are learning to work cooperatively and help each other out. We want to be the best friend we can each be.

Keep showing the love 2A! I'm proud of you all!

TEMPER TAMERS

Starting next week, Dr. Michèle Keijzer (our school counsellor) will be teaching us about the choices we make and how we can learn to control our "Temper." She will be coming into our classroom once a week for a couple months to work through a program called "BALANCE" with the children. The children will work through a booklet and listen to a series of stories and complete activities together. We are looking forward to starting in 2A!

A POEM TO THINK ABOUT.....

Mary had a little lamb,
She also had the flu.
And when she left her school,
The others had it too.
So anytime your child is sick,
Please keep her/him home with you.
Then the children in our school
Will be happier and healthier too!

BIRTHDAY PARTIES

- Please note that unless you are inviting
- **ALL the boys OR ALL the girls** to a
- birthday party, we as a school request
- that you **DO NOT** send invitations to
- school. We certainly don't want any
- hurts feelings or children being left out.
- Believe me when I say they do notice.
- If you are able and willing to have all the
- boys from our class or girls, you are
- welcome to send those invites.

Thank you for your help.
