

Our Days in 2A!

November 6th, 2020

A couple things to remember.

1. Study spelling words and memory verses each week. Your child radiates and is so excited to share with me when they know their verse or they can read and spell a word!

2. READ, READ, READ stories often and together as a family.

This will help your son/daughter gain more confidence when reading out loud to me.

Question and talk about what you have read together too. Make reading enjoyable and exciting! Can you all relate to a story and share your own common experiences? Give it a try!

Balance

Ms. Michèle Keijzer (our school Counsellor) continues with the "Balance" class and the children are enjoying their time with her. They are off to a great start and she looks forward to coming in for the next couple months.

November Memory Verse

My dear brothers,
take note of this:
Everyone should be quick to
listen,
slow to speak,
and slow to become angry,
for man's anger
does not bring about
the righteous life
that God desires.

Grade 5 is collecting gently used, clean coats, hats, mittens, and boots in kid sizes. The need in Winnipeg is greater than ever with financial strains and PE classes being held outside due to Covid. If you have an item to donate please send it to school in a plastic bag. There will be a collection bin in the hallway by the library for the entire month of November. Thanks so much!
