

Our Days in 2A

January 8th, 2021

What a busy week adjusting back in 2A!

We have been focusing on a new start and a new beginning since it is January. We have been sharing our thoughts and ideas for 2021 and trying to think back about some highlights of our very interesting year in 2020. We are moving forward with our shapes and solids unit in math, pioneer unit for social studies and our matter unit in science. In Bible, we are starting a focus on prayer.

Soon we will be starting our penguin unit and the children will create a project on their penguin using the computer here at school. They love this study! Clearly we are busy with lots of subjects and exciting learning this month.

SKATING TIME

-PLEASE READ-

Skating is going to look different this year as we must continue to follow health protocols. So.....PE classes will resume outdoors and all the children are expected to have skates and helmets. To keep numbers of children down in the same area to put skates on, half the class will be skating at a time. Please have skates here for each class as Mrs. Wolynee will monitor who is on the ice.

The other children will be directed by Mrs. Wolynee as to what to do during their PE class.

Unfortunately we are unable to ask for volunteers to help tie up skates this year. We are also unable to ask older students to help as we can't mix cohorts.

On days 1 + 4 this year, the grade two classes can skate at lunch recess. This is our green zone playground days where the rink is located. **THEY MUST BE ABLE TO TIE THEIR OWN SKATES AND DO UP THEIR HELMETS INDEPENDENTLY TO DO THIS.**

It is encouraged you help them learn to tie shoe laces first and then practice skate tying at home Thanks.

NEW MARKERS NEEDED PLEASE

We are at that time of year where **all** our markers are starting to run dry. The school supplied the first set at the beginning of the year. Please try your best to get a new set of markers with many bright spring colors for the future. Once they become an essential item, please try and buy them.

As we begin our penguin projects, I know your child will appreciate them very much!

Thank you in advance.

The Lord's Prayer

Our Father, which art in heaven,
Hallowed be thy Name.
Thy Kingdom come.
Thy will be done in earth,
As it is in heaven.
Give us this day our daily bread.
And forgive us our sins
As we forgive them that sin against us.
And lead us not into temptation,
But deliver us from evil.
For thine is the kingdom,
The power, and the glory,
For ever and ever.

Amen.

Matthew 6:9-13
