

Our Days in 2A

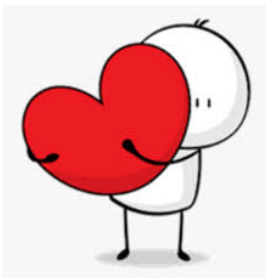

February 18th, 2022

We started reading our mystery story "Nate the Great and the Sticky Case" together this week. We have been trying to do some work in small groups too and are learning we have different thoughts and ideas but we can share them and talk about them. "I Love to Read" month has been going well and we have been enjoying the fun moments along the way. Do you love to read? Share with your child your favourite book when you were their age. What do you like to read now?

This month we are also learning just how special and important we are. Filling our own buckets with praise, encouragement and much love.

Blessings, Mrs. Miller
