

Our Days in Grade 2

March 10th, 2023

This week was lots of oral testing on reading, math doubles and the plus one math strategy. Next week we will be adding details to complete a mystery story and our new science unit on "Matter" will continue.

We are patiently waiting for spring like weather and look forward to it soon.

March Memory Verse

The next day the great crowd that had come for the Feast heard that Jesus was on his way to Jerusalem.

They took palm branches and went out to meet him, shouting, "Hosanna!"

"Blessed is he who comes in the name of the Lord!"

"Blessed is the King of Israel!"

John 12: 12-13

CRAYONS & PENCIL CRAYONS

Please ask your child if they have many crayons or pencil crayons left? Some of their colouring bags are almost empty. I have never had to request new ones before but some of your children have very little to use. If you are able and willing please send new ones.
