

# Our Days in Grade 2

## March 3rd, 2023

This week we worked daily on Math Doubles and the Plus One mental math strategy. We also started our "Measurement" unit in math. We finished our study on "Penguins" too. Testing/evaluating time with me for report cards has begun. Reading, printing, writing and math work is all being assessed. I always enjoy some time with the children testing their understanding of concepts we have been working on for the term. It is a very busy time for all the teachers. Please pray for us and for healthy students to be here. Thank you so much.

### SKATING RINK

Our skating days are done for this year. Please make sure your child has brought their skates home with all their equipment. If anything does not look familiar, please send it back on Monday. Thank you, It was a great skating season this year and again we thank Mr. Bekkering for taking the time to water and keep the rink in tip top shape for the kids.

## March Memory Verse

The next day the great crowd that  
had come for the Feast heard that  
Jesus  
was on his way to Jerusalem.  
They took palm branches and went  
out  
to meet him, shouting, "Hosanna!"  
"Blessed is he who comes in the  
name  
of the Lord!"  
"Blessed is the King of Israel!"  
John 12: 12-13
