

Our Days in 2A

February 23rd, 2024

This week we finished some units. Woo Hoo! Our penguin unit is complete as is our Shapes and Solids unit in math. Your child will be tested orally on 2D and 3D shapes as well as symmetry, faces, vertices and edges of the shapes so please look at and study using the booklet that was sent home. This will happen next week. I usually send a note with the booklet but my substitute teacher sent them home before I could do that. Sorry about the confusion.

At this time in the school year I am going to request you ask your child the following please.

DO YOUR INDOOR SHOES FEEL TIGHT?

The kids are growing so quickly. They may need a new pair for the spring. They really grow since August or September when you bought them.
THANK YOU SO MUCH FOR YOUR HELP!

"Blessed is the King of Israel!"
