

Our Days in 2A

April 19th, 2024

This week we focused on creating more poetry and we started a measurement unit in Math. The class was very happy to get to use a ruler to measure objects in our classroom. On Monday we have no school. It is [Earth Day!](#) I encourage you all to find a way to celebrate as a family and recognize the blessing that our planet earth is to each and every one of us. We have been given a responsibility to take care of our world.

EARTH DAY

On Monday, please get out and celebrate our planet EARTH! You can...

- *Go for a walk
- *Pick up garbage in the neighbourhood
- * Re-use objects and build something
- * Play outside and enjoy God's amazing creation!

A PEEK AT OUR WEEK

13. practice

SKIPPING ROPES & PLAYGROUND CHALK

- If anyone is willing and able to donate a skipping rope or playground chalk, the class would be most grateful.
- This can be a wonderful activity during recess times and encourage great heart health or creativity on the tarmac. ❤️
- Spring will be here soon again. We hope!

APRIL MEMORY VERSE

Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

Matthew 28:18-20
