

Our Days in 2A

October 17th, 2025

There are so many great things happening in the Grade 2 classroom!! The children are learning to work together in teams when asked and with that they are all trying to learn to cooperate, share and take turns. There is much **Community-Building** (one of our Teaching for Transformation through-lines) happening and I am very pleased that our work environment is a positive, safe, happy place for us all.

"Balance" Course

Starting at the end of this month, Dr. Michèle Keijzer (our school counsellor) will be teaching us about the choices we make and how we can learn to control our **"Temper."** She will be coming into our classroom once a week for a couple months to work through a program called **"BODY & BRAIN in BALANCE"**. The children will work through a booklet and listen to a series of stories and complete activities together.

We are looking forward to starting this course very soon!

A POEM TO THINK ABOUT.....

Mary had a little lamb,
She also had the flu.
And when she left her school,
The others had it too.
So anytime your child is sick,
Please keep her/him home with you.
Then the children in our school
Will be happier and healthier too!

Term 1 Bible Memory Verse

Let us not become tired of doing good. At the right time we will gather a crop if we don't give up. So when we can do good to everyone, let us do it. Let's try even harder to do good to the family of believers.

Galatians 6: 9-10

BIRTHDAY PARTIES

- Please note that unless you are inviting ALL the boys OR ALL the girls to a birthday party, we as
- a school community request that you DO NOT
- send invitations through school. We certainly
- don't want any hurt feelings or children being
- left out. Believe me when I say they do notice.
- Kids share and talk.
- If you are able and willing to have all the boys
- from our class or all the girls, then you are
- welcome to send those invites. Otherwise please
- do so outside of school hours.
- Thank you kindly.
