

Our Days in 2A

October 3rd, 2025

This week we continued our study on Kevin Henkes stories and met Owen. We also continue to study the days of the week/months of the year and simple addition, greater than/less than in math. We have been learning about who Jesus is in Bible and we continue to study our community in Social Studies. As you can see we are learning so much and working very hard. We have also been focusing on a Growth Mindset for our first Health unit of the school year. Ask your child about the Power of.... Yet!

SCHOLASTIC BOOK ORDERS

Reading books is so important and a wonderful way to let your imagination soar. We learn so much by reading. Scholastic has some great books (and some you will need to discern) at good prices. I encourage you to go to the site if you have not looked already. Go to scholastic.ca and order a book for your child at least once this year.

Our class code is

RC215784

Our first order is due on Thursday.

Term 1 Bible Memory Verse

Let us not become tired of
doing good. At the right time
we will gather a crop if we

don't give up. So when we can do good to everyone, let us do it. Let's try even harder to do good to the family of believers.

Galatians 6: 9-10
