

Our Days in 2A

November 20th, 2025

This week we were very busy completing many units in different subjects areas. We have been reading out loud, being tested on our scripture verse and finishing our even/odd math booklet. It is hard to believe we are 3 months along and report cards will be coming home to you soon. Moving forward we will be starting a study on Shapes and Solids in Math, the Christmas story in Bible and doing some experiments for our matter unit in science.

I
WONDER
WHAT
IS
GOING
TO
HAPPEN
IN
OUR
CLASSROOM
NEXT
WEEK?

HINT.....
IT
IS
RELATED
TO
THE
MOST
WONDERFUL
TIME
OF
THE
YEAR?

A PEEK AT OUR BUSY WEEK

6. same
7. came
8. made
9. name
10. make

Bonus Words:

11. circle
12. round
13. pioneer

Homebags EVERYDAY PLEASE

Many children are NOT bringing their Homebags each and everyday to school.

Parents, please do your best to make sure they bring them in their backpack. Teaching them responsibility and organization really helps when they have the item needed to bring home their notes, work, art etc.

I have a few extras if you need a new one.
Please let me know.

Thank you so much.

The weather sure has
been wonderful for this
time of year.

No Snowsuits yet!

AMEN!
