

Our Days in 2A

November 28th. 2025

This past week we got into the Christmas spirit and brightened up our classroom with lights and Christmas decorations. It is only a month away and we have to enjoy this beautifully bright yet calm space while we can. It is so festive in our classroom now. We love it!

During the Christmas season we will first and foremost study about the birth of our Saviour.

My goal is to continue to have the children understand what the true meaning of the holiday season is really about. A beautiful, amazing gift! We also want to celebrate with one another and be blessed with our friends.

Check out the SeeSaw app to watch a video of our new classroom space for Christmas. We have lights.....lots of beautiful, colourful lights!

This is our classroom Christmas tree. I gave each child a gift to put on the tree and told them that they are each a GIFT to me. I am grateful for them to be in my Classroom. The apple on top I thought was a cute addition to our school tree.
