

Our Days in Grade 2A

November 6th, 2025

This week was short but very busy. The Scholastic Book Fair in our library has been a highlight and if you haven't had a chance to do so please check out the books when you come here for parent teacher time. Our library space has been transformed into an incredible galaxy with the planets. It's so fun and a huge thank you to Mrs. Hansen for all her hard work making it an incredible place for us.

I am looking very forward to meeting you tonight or tomorrow. Please bring the "HOMEWORK" questionnaire I sent home with your child to the interview if you have not handed it back already. Thank you for your help.

GROWTH MINDSET

I sent home a booklet on having a growth mindset. Ask your child what that means? Does it mean we give up when something is difficult? NO! We are learning to work hard, practice, have patience and say....I CAN! Or....I am unable to.....YET!!!! The power of the word yet is so valuable. It means we are simply learning, persevering and trying. It shows we can and will get there.

Winter Clothing

The season to stay warm and cozy is now more upon us. Please make sure you label all "winter" clothing items for school. It makes returning them to their owner so much easier and many children have the same items. Thank you!

Term 1 Bible Memory Verse

Let us not become tired of doing good. At the right time we will gather a crop if we don't give up. So when we can do good to everyone, let us do it. Let's try even harder to do good to the family of believers.

Galatians 6: 9-10

The Grade 5 classes continue to collect gently used, clean coats, hats, mittens, and boots in kid sizes. If you have an item to donate please send it to school in a plastic bag. The collection bin is in the hallway by the library for the entire month of November.

STAR DOME

Ask your child about their Star Dome experience. It was amazing! God is amazing!
