

Our Days in Grade 3A

January 16th, 2026

January is moving along so quickly. Wow!

This week we focused on our science unit on "Matter" and our Shapes and Solids unit for math time. We have also begun our Bible focus on "Prayer". We want you to know that we are all praying for **YOU!** We are going to be taking time to pray more often for our families, school and classroom. I pray for beautiful days with your child and that our room is a safe, happy place where your child feels accepted, encouraged and loved.

A PEEK at a NEW WEEK

PRAYER

I start from where I am
to share with God
the good and the bad
that are my life-
my fears and ,mixed-up feelings,
embarrassments and joys.
I share with God my family,
my teachers and my friends--
and people I have trouble loving.
I share with HIM people who are hungry
or lose their homes in floods and fires,
or are hurt by a speeding car.

When I must do something so hard
I think I can't do it,
I talk to God about it quietly, inside.

He helps.

When really good things happen,
I shoot a little arrow prayer,
a "Thank You" up to God.

Blessings, Mrs. Miller

TERM 2 SCRIPTURE VERSE

The Lord is my shepherd.
He gives me everything I need.
He lets me lie down in fields of green
grass.
He leads me beside quiet waters.
He gives me new strength.
He guides me in the right paths for the
honour of his name.
Even though I walk through the
darkest valley,
I will not be afraid.
You are with me.
Your shepherd's rod and staff comfort
me.
You prepare a feast for me right
in front of my enemies.
You pour oil on my head.
My cup runs over.

Psalm 23:1-5

SKATING UPDATE

Please.....

1. Send their skates and a fitted helmet in a tote bag with their name.
2. send a hat that fits under the helmet in their backpack/tote bag too. Ears get so cold.
3. Practice tying skates and doing up helmets at home. Then they can skate at lunch recess on Days 2&5 if they like.
4. Watch each weekly newsletter with the dates we will be skating/lunch options.
5. Encourage your child and let's have some fun together!
6. SKATING WILL NOT HAPPEN IF THE TEMPERATURE ARE TOO COLD OR MILD!

Thank you for your cooperation. Getting 19 children ready to skate takes much time and patience.
