

Our Days in Grade 2A

March 12th, 2025

Assessments are done, report cards are being worked on, and we continue to learn, grow, share, play fair and try our best each day. We do have many challenges and learning moments along the way but we are trying. As an I! My continued prayer is that we CAN learn from all those difficult moments. Prayers are much appreciated as recess times are especially difficult for many students in our classroom and learning to cooperate remains hard.

We are all ready for a little down time and luckily Spring Break is just around the corner.

PAPER BAG DISPOSABLE LUNCH FOR OUR FIELD TRIP

Hello Families,

Next Thursday for our field trip, I am asking you to please send a disposable lunch.

That way we eat and throw out the baggies/saran wrap etc. and don't have to bring items back.

We will also not be taking water bottles so make sure to include a juice box or disposable water.

THANK YOU KINDLY!

Blessings,

K. Miller
