

Our Days in 2A

April 10th, 2026

We survived our first week back after spring break! We are patiently waiting to get rid of all the snow and water so it feels more like spring but we are getting closer each day. This week we started our "Poetry Safari" unit and we learned about collaborative poetry. We also started a "Measurement" unit for math.

We are continuing our study of the true meaning of EASTER and what God did for each and every one of us on Good Friday and Easter Sunday! We are so loved!

EXTRA CLOTHES PLEASE

With the snow and ice turning to water, it is very wet outside.

Please send an extra pair of pants/socks with your child each day to change into if needed.

They are not allowed to play in the water of course but it is just so tempting. Thank you.

NEW MARKERS PLEASE

With the end of second term, I would like to encourage you to buy some new markers for your child to use until the end of the year. Many have dried up or been lost and we have some colourful artwork and projects to complete.

Thank you for your help!

TERM 3 VERSE

Love is patient.

Love is kind. It does not want what belongs to others. It does not brag. It is not proud. It does not dishonour other people. It does not look out for its own interests. It does not easily become angry. It does not keep track of other people's wrongs. Love is not happy with evil. But it is full of joy when the truth is spoken. It always protects. It always trusts. It always hopes.

It never gives up.

1 Corinthians 13:4-7

T.W.A.S.

Please be sure to read the note that came home today and look at your child's T.W.A.S. duotang. Read the note inside explaining the work and return the work on Monday.

Thank you for your cooperation.

HAPPY READING & WRITING!
