

Our Days in 2A

March 27th, 2026

This week we started our mini penguin projects using research books and iPads as resources to help us find information. The class was keen on learning about these cuties!

We also started a unit on Ordinals for math time. Ask your child how ordinals were used in the recent winter Olympics?

Most importantly, we began to study the true meaning of EASTER and what God did for each and every one of us on Good Friday and Easter Sunday! He loves us so much!

TERM 3 VERSE

Love is patient.

Love is kind. It does not want what belongs to others. It does not brag. It is not proud. It does not dishonour other people. It does not look out for its own interests. It does not easily become angry. It does not keep track of other people's wrongs. Love is not happy with evil. But it is full of joy when the truth is spoken. It always protects. It always trusts. It always hopes. It never gives up.

1 Corinthians 13:4-7
