

Our Days in Grade 2

May 29th, 2026

It's been another busy week! Our field trip to the Mennonite heritage Village was wonderful! I hope your child came home and shared some highlights with you. I also posted on SeeSaw today so please check out our photos and videos of our adventure.

The days are sure flying by and we only have 19 school days left. What? Please make sure your child has some fresh water each day too (with lots of ice in the morning) to help cool them down and stay hydrated. We got this!

Our Classroom Butterflies!

We have been enjoying watching our larva grow and eat, eat, eat. This week they formed a letter you can ask your child about and they went into a chrysalis. The kids are thrilled to be watching and learning about God's amazing design right before our very eyes. How does it change from one thing to another? Ask your child what this process is called? It's a very big word that starts with the letter M!

TERM 3 SCRIPTURE VERSE

Love is patient. Love is kind. It does not want what belongs to others. It does not brag. It is not proud. It does not dishonour other people. It does not look out for its own interests. It does not easily become angry. It does not keep track of other people's wrongs. Love is not happy with evil. But it is full of joy when the truth is spoken. It always protects. It always trusts. It always hopes.

It never gives up.

1 Corinthians 13:4-7

THANK YOU

Thank you so much to Lochlan and Hallie and their families for donating some plastic cutlery to our classroom. It is being well used.

Thank you also to Iris and her family for donating more chalk to draw with outside during recess. The kids are enjoying decorating our outdoor sidewalk space.

ALL YOUR DONATIONS ARE VERY MUCH APPRECIATED!
